# NOBO S16E Digital DLP™ Projector

## Why choose NOBO S16E

NOBO S16E is an exceptionally cost effective, general purpose business and education SVGA projector that offers all the performance advantages of digital DLP™ technology, at an affordable price point. The S16E is bright and has a high contrast picture performance, making

this a highly versatile business and teaching tool. The S16E is both robust and lightweight at only 2Kgs so is suitable for a whole range of portable applications as well as ideal in fixed installations. Additional features include simple 'plug and play' operation, custom flash screen and password protection.

### Accessories Included:

AC Power Cord, VGA Cable, Composite Video Cable, Infra Red Remote Control, Battery, Lens Cap, User Guide, Carry Bag, SCART Adapter, Quick Start Guide and Warranty Card.

### Optional Accessories:

Ceiling Mount Kit, S-Video Cable, Kensington Wireless Presentation Remote and Kensington MicroSaver™.
