WMAY F10

EAN/UPC:B0H1QXT7PH

WMAY F10

Beta 2.5

Brief Introduction

The F10 LED LCD projector from WMAY has 350 ANSI lumens, a contrast ratio of 5000:1, and an HDTV resolution of 1920 x 1080. Thanks to its LEDs, the projector has a light source lifespan of up to 30,000 hours?which, at four hours of use per day, amounts to over 20.5 years. Horizontal and vertical keystone correction provides flexibility during setup. An image width of up to 190 cm is possible, as the projector has 350 ANSI lumens. However, if there is ambient light in the room, the image should be no wider than 127 cm. In addition, the Bluetooth capability is a useful feature for the projector, especially for wireless audio transmission. It is also compatible with Full HD 1080p and 4K (compressed).
