SVIC S720+

< 30 dB
Leise

HD ready

Brief Introduction Beta 2.5	The SVIC S720+ LCD projector has 132 Ansi lumens, a contrast of 800:1 and a WVGA 800 x 480 resolution. The manufacturer specifies a lamp life of 6000 hours, which converts to over 8.2 years at 2 hours per day. As SVIC specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. An image width of up to 117 cm is possible, as the projector has 132 Ansi lumens. However, if there is room light, the image should be a maximum of 78 cm wide. The model is also Full HD 1080P compatible. At just 28 decibels, the device is one of the quieter projectors. This model is no longer offered by SVIC.
Display Type	1 x 7" LCD TFT Panel WVGA 16/9 Liquid Crystal Display

	Projector	Screen
