

Epson USA PowerLite Presenter

EPSON USA POWERLITE PRESENT

The PowerLite Presenter LCD has 2500 Ansi lumens, a contrast of 3000:1 and a WXGA 1280 x 800 resolution. The manufacturer, Epson USA, specifies a lamp life of 4000 hours, which is over 5.5 years if enjoyed for two hours a day. Due to the brightness of 2500 Ansi lumens, a picture width of 508 cm is possible. In room light, the picture should be max. 339 cm wide. Even 1080P video signals are no problem for the projector. The operating noise of just 29 decibels makes the projection quiet. The model built in 2009 is no longer offered by Epson USA.
