

Lumex PicoMax MX-600

LUMEX PICO MAX MX-600

Lumex

The Lumex PicoMax MX-600 3D LED DLP projector has 600 Ansi lumens, a contrast of 1000:1 and a WXGA 1280 x 800 resolution. Manufacturer Lumex specifies a service life of 30,000 hours, which converts to over 20.5 years at 4 hours per day. The projector also offers an integrated media player that can be used to play files directly. The projector can illuminate a picture width of up to 249 cm thanks to its 600 Ansi lumens. In room lighting, however, the picture width should ideally be less than 166 cm. The projector was launched in 2014 and is no longer sold by the manufacturer.
