

S3600 DLP

One of the generation of DLP Projectors from Sahara. The S3600 DLP machine is ultra portable, ultra quiet, bright and versatile.

For Presenters on the move and for users of the most up to date equipment, this plug and play projector includes all the specifications you have come to expect from a Sahara product. With manual focus and zoom, digital keystone correction, pan and zoom and full colour management. As quiet as the S3150 at less than 34dB and with a projection distance of between 1.5m and 6.0m, this DLP projector represents an excellent investment.
