

Acer X118HP

ACER X118HP

The standard portable Acer X118HP 3D DLP projector has 4000 Ansi lumens, a contrast of 20000:1 and an SVGA 800 x 600 resolution. The lamp life is specified by the manufacturer as 15000 hours, which converts to over 20.5 years at 2 hours per day. A picture width of up to 551 cm is possible, if the picture width is smaller (we recommend max. 367 cm), rooms with residual light are also no problem. With the HDMI MHL port, the smartphone image can be transmitted to the projector in Full HD at 60 Hz by screen mirroring and the smartphone is charged at the same time. Video signals 1080P and 3D are also no problem for the projector. This model is no longer offered by Acer.

Brief Introduction Beta 2.5

Display Type

1 x 0,55" DLP Chip
SVGA 4/3 Ti Digital Light Processing Chip
