

# Acer X138WH

ACER X138WH

The Acer X138WH standard portable 3D BrilliantColor DLP projector has 3700 Ansi lumens, a contrast of 20000:1 and a WXGA 1280 x 800 resolution. The lamp in the projector is specified with a lamp life of 4000 hours, which is over 5.5 years if enjoyed for two hours every day. The ambient light sensor allows the projector to automatically optimize the projected image. The projector will be able to illuminate an image width of 618 cm well. Rooms with residual light can be created by the projector with a smaller image width, max. 412 cm is recommended here. The model is also Full HD 1080P and 3D compatible. The operating noise of just 30 decibels makes the projection quiet. The model built in 2018 is no longer offered by Acer, but is still one of the very popular projectors.

## Brief Introduction Beta 2.5

### Display Type

 1 x 0,65" DLP DMD Chip  
WXGA 16/10 Ti Digital Light Processing Chip

### Ansi-Lumen

Projector 3700 / 2960 im Eco Mode

Screen 1480 Lux (bei 200 cm Screen)
