

Aepuosem A5 Pro

EAN/UPC:B0GD75CJXG

A E P U O S E M A 5 P R O

The Standard Portable A5 Pro LED LCD has 1,200 ANSI lumens, a contrast ratio of 20,000:1 and an HDTV resolution of 1,920 x 1,080. It is an LED projector with a lamp life of 30,000 hours, which, based on 4 hours? daily use, would amount to over 20.5 years. Built-in horizontal and vertical keystone correction allows for flexibility when positioning the projector. A screen width of up to 289 cm is possible, as the projector has 1,200 ANSI lumens. However, if there is ambient light in the room, the image should be no more than 193 cm wide. The projector features AirPlay, Miracast screen mirroring support, which enables high-resolution videos and surround sound to be streamed directly via Wi-Fi from smartphones, tablets and PCs running Android, Windows or iOS. In addition, the Bluetooth capability is a useful addition to the projector, particularly for wireless audio transmission. Playing 1080p and 4K (compressed) is no problem for the projector.
