

Anders + Kern AstroBeam X320

ANDERS + KERN ASTROBEAM X320

Brief Introduction

Beta 2.5

With the AstroBeam X320, manufacturer Anders + Kern offers a standard portable LCD projector with XGA 1024 x 768 resolution and a contrast of 800:1. A built-in horizontal and vertical keystone correction provides freedom when positioning the projector. The projector can illuminate an image width of up to 493 cm thanks to its 3200 Ansi lumens. In room lighting, however, the picture width should ideally be less than 329 cm. The projector was launched in 2004 and is no longer sold by the manufacturer.
