

ASK Proxima C180

ASK PROXIMA C180

The ASK Proxima C180 standard portable LCD projector has 2200 Ansi lumens, a contrast of 400:1 and an XGA 1024 x 768 resolution. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. An image width of up to 408 cm is possible. However, the image should be smaller in room light. We recommend max. 272 cm. The model is also Full HD 1080P compatible. This model is no longer offered by ASK Proxima.

3 x 0,79" LCD TFT Panel mit MLA
