

ASK Proxima E2460W

ASK PROXIMA E2460W

A brief introduction to the E2460W: The ASK Proxima stationary LCD projector offers 4600 Ansi lumens, a contrast of 3000:1 and an XGA 1024 x 768 resolution. Thanks to the brightness of 4600 Ansi lumens, a picture width of 591 cm is possible. The projector can also handle slightly brighter rooms with a narrower picture width (we recommend max. 394 cm). Furthermore, the projector can play 1080P without any problems. The model built in 2012 is no longer offered by ASK Proxima.

3 x 0,79" LCD TFT Panel
