

ASK Proxima S430W

ASK PROXIMA S430W

With the S430W, manufacturer ASK Proxima offers a short-throw LCD projector with WXGA 1280 x 800 resolution and a contrast of 8000:1. The lamp life is up to 10,000 hours, which is over 13.7 years if enjoyed for two hours a day. The horizontal and vertical keystone correction provides leeway when setting up. Thanks to the short throw projection ratio of just 0.48:1, the projector is not distracting in the room. For a 2m wide image, the projector only needs to be 96 cm away from the screen. If the image is still too small, the integrated edge blending software can help to project a large image with additional projectors. On the market since 2014, the model is no longer offered by the manufacturer ASK Proxima.

3 x 0,59" LCD TFT Panel
WXGA 16/10 Liquid Crystal Display

3300
8000:1 full on/off
