

Benq MW853UST+

BENQ MW853UST+

The MW853UST+ 3D BrilliantColor DLP has 3000 Ansi lumens, a contrast of 10000:1 and a WXGA 1280 x 800 resolution. The lamp in the projector is specified with a lamp life of 4000 hours, which converts to over 5.5 years at 2 hours per day. Thanks to the short-throw projection ratio of just 0.43:1, the projector does not stutter in the room. For a 2m wide image, the projector only needs to be 86 cm away from the screen. Even 1080P video signals and 3D are no problem for the projector. The projector was launched in 2014 and is no longer sold by the manufacturer, but is still a popular projector in our database.

1 x 0,55" DLP Chip
