

Boxlight Cambridge WX33NST

BOXLIGHT CAMBRIDGE WX33NST

With the Cambridge WX33NST, manufacturer Boxlight offers an LCD projector with WXGA 1280 x 800 resolution and a contrast of 10000:1. The lamp life is specified by the manufacturer as 10000 hours, which converts to over 13.7 years at 2 hours per day. The horizontal and vertical keystone correction provides leeway when setting up. Thanks to the short throw projection ratio of just 0.46:1, the projector is not distracting in the room. For a 2m wide image, the projector only needs to be 92 cm away from the screen. The HDMI MHL (Mobile High-Definition Link) port makes it possible to transmit a 1080p / 60 Hz image mirroring (screen mirroring) from a smartphone while it is being charged at the same time via the connection. The model is also Full HD 1080P compatible. The model built in 2017 is no longer offered by Boxlight.
