

Casio XJ-S400U

CASIO XJ-S400U

The Casio XJ-S400U standard portable laser DLP projector has 4000 Ansi lumens, a contrast of 20000:1 and a WUXGA 1920 x 1200 resolution. The service life is 20000 hours due to the laser, which would be the equivalent of over 13.7 years at 4 hours per day. Thanks to the brightness of 4000 Ansi lumens, an image width of 643 cm is possible. The projector can also handle slightly brighter rooms with a narrower picture width (we recommend a maximum of 429 cm). Even 1080P video signals are no problem for the projector. This model is no longer offered by Casio.

 1 x 0,67" DLP Chip
