

Casio XJ-UT352WN

CASIO XJ-UT352WN

The short-throw XJ-UT352WN laser DLP projector from Casio has 3500 Ansi lumens, a contrast of 20000:1 and a WXGA 1280 x 800 resolution. The service life is 20000 hours due to the laser, which is equivalent to 13.7 years at 4 hours per day. Thanks to the horizontal and vertical keystone correction, the projector can be positioned very freely. Thanks to the short throw projection ratio of just 0.28:1, the projector does not stand in the room. For a 2m wide image, the projector only needs to be 56 cm away from the screen. The projector is equipped with a microphone jack plug and 16W speakers, so no additional speakers are required for presentations or training sessions. Even 1080P video signals are no problem for the projector. The projector was launched in 2019 and is no longer sold by the manufacturer.

1 x 0,65" DLP Chip
