

CHESTO Full HD Beamer

CHESTO FULL HD BEAMER

The micro-portable Full HD LED LCD projector from CHESTO has 450 ANSI lumens, a contrast ratio of 15,000:1 and an HDTV resolution of 1920 x 1080. Thanks to its LEDs, the projector has a light source lifespan of up to 30,000 hours ? which equates to over 20.5 years if used for four hours a day. Horizontal and vertical keystone correction ensures effortless image setup. The brightness of 450 ANSI lumens allows for an image width of 216 cm. In room lighting conditions, the image should be no more than 144 cm wide. The model recognises AirPlay and Miracast screen mirroring signals, making it possible to play high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet or PC (Android, Windows and iOS). Another bonus worth mentioning is that the projector?s Bluetooth function allows it to be connected to external wireless speakers. Even 1080p and 4K (compressed) are no problem for the projector.

Brief Introduction

Beta 2.5

Display Type

1 x LCD Panel
HDTV 16/9 Liquid Crystal Display
