

Chinavasion CVAK-E260-Black-2GEN

CHINAVASION CVAK-E260-BLACK-

With the CVAK-E260-Black-2GEN, manufacturer Chinavasion offers an LCD LED projector with XGA 1024 x 768 resolution and a contrast of 2000:1. Thanks to the LEDs, the projector has a light life of up to 50,000 hours, which equates to over 34.2 years at 4 hours per day. The integrated media player can play files directly. As Chinavasion specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. The projector can illuminate a picture width of up to 117 cm well with its 180 Ansi lumens. In room light, however, the image width should ideally be less than 78 cm. With an operating noise of just 30 decibels, the model is very quiet compared to others. The model is no longer offered by Chinavasion.

Brief Introduction

Beta 2.5

Display Type

1 x 5,8" LCD TFT Panel
XGA 4/3 Liquid Crystal Display

Ansi-Lumen

180 / 3000 Lumen

60 Lux (bei 200 cm Screen)
