

Chinavasion CVXN-E292

CHINAVASION CVXN-E292

The standard portable Chinavasion CVXN-E292 LED LCD projector has 168 Ansi lumens, a contrast of 2000:1 and an XGA 1024 x 768 resolution. The manufacturer Chinavasion specifies a service life of 20000 hours, which converts to over 13.7 years at 4 hours per day. Including an integrated media player with which files can be played directly. As Chinavasion specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. A picture width of up to 113 cm is possible, as the projector has 168 Ansi lumens. However, if room light is available, the image should be max. 75 cm wide. With only 30 decibels of operating noise, the model is very quiet compared to others. The model is no longer offered by Chinavasion.

Brief Introduction

Beta 2.5

Display Type

1 x 5,8" LCD TFT Panel
XGA 4/3 Liquid Crystal Display
