

Chinavasion PicoMax

CHINAVASION PICO MAX

Brief Introduction

Beta 2.5

The Chinavasion PicoMax Game-Portabel LED DLP projector has 50 Ansi lumens, a contrast of 2000:1 and a WVGA 800 x 480 resolution. The manufacturer specifies an LED service life of 30,000 hours, which is over 20.5 years if enjoyed for four hours a day. Thanks to the built-in rechargeable battery, the projector does not require a power supply for 2 hours, so it can be set up spontaneously and easily anywhere. This model is no longer offered by Chinavasion.

1 x DLP Chip
WVGA 16/9 Ti Digital Light Processing Chip
