CHINAVASION CVAEB E385

The Chinavasion CVAEB E385 LED LCD projector has 192 Ansi lumens, a contrast of 2000:1 and a WXGA 1280 x 800 resolution. Manufacturer Chinavasion specifies a service life of 30,000 hours, which is over 20.5 years if enjoyed for four hours a day. As Chinavasion specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. Due to the brightness of 192 Ansi lumens, a picture width of 141 cm is possible. In room light, the picture should be max. 94 cm wide. At just 25 decibels, the device is one of the quieter projectors. This model is no longer offered by Chinavasion.
