

CineVersum BlackWing Two MK2018

The CineVersum BlackWing Two MK2018 3D LCOS projector has 1900 Ansi lumens, a contrast of 1300000:1 and a UHD (4K2K) 3840 x 2160 resolution. The service life of the lamp is up to 4500 hours, which is equivalent to over 6.2 years at 2 hours per day. Including a lens shift and keystone correction function, which provides freedom during installation. A picture width of up to 443 cm is possible. However, the image should be smaller in ambient light. We recommend max. 295 cm. Furthermore, it is Full HD 1080P and 4K as well as 3D compatible, and thus all currently offered Blu-ray formats can be recognized by the projector. With an operating noise of just 20 decibels, the model is already very quiet compared to others. On the market since 2018, the model is no longer offered by the manufacturer CineVersum.

Brief Introduction

Beta 2.5

Display Type

3 x 0,7" LCoS HD Chip
HDTV 16/9 Liquid Crystal on Silicon (LCOS)
