

CineVersum CV-310UST

CINEVERSUM CV-310UST

Brief Introduction

Beta 2.5

With the CV-310UST, manufacturer CineVersum offers a DLP projector with UHD (4K2K) 3840 x 2160 resolution and a contrast ratio of 1600:1. Thanks to its short-throw projection ratio of just 0.25:1, the projector doesn't take up much space in the room. For a 2-meter-wide image, the projector needs to be positioned just 50 cm from the screen. Thanks to the built-in Android TV software, it offers direct access to a wide range of streaming services such as Netflix, Disney+, Amazon Prime Video, and YouTube, as well as games and other interactive content. Since the projector recognizes screen mirroring signals, it is possible to stream high-resolution videos with surround sound directly from a smartphone, tablet, or PC (Android, Windows, and iOS) via Wi-Fi.
