

Dell 4100MP

DELL 4100MP

Brief Introduction

Beta 2.5

With the 4100MP, manufacturer Dell offers a standard portable DLP projector with XGA 1024 x 768 resolution and a contrast of 2000:1. A built-in horizontal and vertical keystone correction provides freedom when positioning the projector. The projector can illuminate an image width of up to 408 cm thanks to its 2200 Ansi lumens. In room lighting, however, the picture width should ideally be less than 272 cm. This model is no longer offered by Dell.
