

Delta AV 3150

DELTA AV 3150

Brief Introduction

Beta 2.5

With the AV 3150, manufacturer Delta offers an LCD projector with XGA 1024 x 768 resolution and a contrast of 400:1. The lamp has a service life of up to 4000 hours, which is over 5.5 years if enjoyed for two hours a day. 1600 Ansi lumens ensure that a picture width of 348 cm is also possible. However, if room light is available, the picture should be max. 232 cm wide. It was launched in 2003 and is no longer offered by the manufacturer Delta. It should also be noted that, unfortunately, there are no longer any replacement lamps available for the projector, neither originals nor replicas.
