

Digital Projection E-Vision 5000 UST

A brief introduction to the E-Vision 5000 UST: The Digital Projection short-throw 3D laser DLP projector offers 6,250 ANSI lumens, a contrast ratio of 3,000,000:1 (FOFO), and a WUXGA 1920 x 1200 resolution resolution. Thanks to the laser, the projector has a lifespan of 15,000 hours, which would amount to over 10.3 years based on 4 hours of daily use. Since the projector features horizontal and vertical keystone correction, it can be set up with plenty of space in the room.
