

DreamVision SIGLOS 2

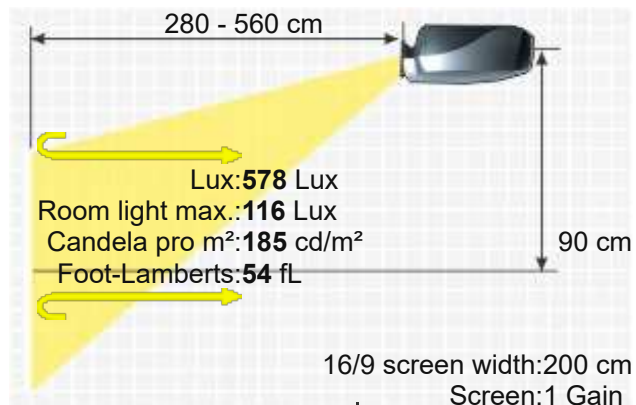

The SIGLOS 2 3D DILA projector from DreamVision has 1300 Ansi lumens, a contrast of 120000:1 and a UHD (4K2K) 3840 x 2160 resolution. The manufacturer specifies a lamp life of 4000 hours, which is over 5.5 years with a daily viewing time of 2 hours. The integrated lens shift gives freedom when positioning the projector. 1300 Ansi lumens ensure that a picture width of 366 cm is also possible. However, if room light is available, the picture should be a maximum of 244 cm wide. Furthermore, it is Full HD 1080P and 4K as well as 3D compatible, meaning that all Blu-ray formats currently on offer can be recognized by the projector. With only 19 decibels of operating noise, the model is already very quiet compared to others. The model was built by DreamVision in 2015 and is no longer current.
