

DreamVision SIGLOS Ultra 2

DREAMVISION SIGLOS ULTRA 2

The high-end DreamVision SIGLOS Ultra 2 3D LCOS home cinema projector has 1900 Ansi lumens, a contrast of 130000:1 and a UHD (4K2K) 3840 x 2160 resolution. Manufacturer DreamVision specifies the lamp life as 4500 hours, which converts to over 6.2 years at 2 hours per day. The integrated lens shift gives freedom when positioning the projector. An image width of up to 443 cm is possible. However, the image should be smaller in room light. We recommend max. 295 cm. Video signals 1080P and 4K as well as 3D are also no problem for the projector, which means that all Blu-ray formats currently available can be recognized by the projector. The operating noise of just 19 decibels makes the projection quiet. The model built in 2017 is no longer offered by DreamVision.

Brief Introduction

Display Type

3 x 0,7" LCoS Chip
HDTV 16/9 Liquid Crystal on Silicon (LCOS)
