

Epson EB 436WT

EPSON EB 436WT

The Epson model EB 436WT is an LCD projector with WXGA 1280 x 800 resolution and a contrast of 3000:1. The manufacturer specifies a lamp life of 5000 hours, which is over 6.8 years if enjoyed for two hours a day. The integrated media player can play files directly. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. As the EB 436WT is equipped with a microphone jack plug and 16W speakers, no additional audio system is required for presentations or training courses. 556 cm image width, the projector will be able to illuminate well. However, if room lighting is available, the image width should ideally not exceed 371 cm. The projector is equipped with an integrated whiteboard function for interactive training and presentations. Even 1080P video signals are no problem for the projector. The projector was launched in 2013 and is no longer sold by the manufacturer, but is still a popular projector in our database.

 3 x 0,59" D8 LCD TFT Panel mit MLA
WXGA 16/10 Liquid Crystal Display with Micro Lense Array

Projector	3000	Screen	1200 Lux (bei 200 cm Screen)
