

Epson EB W32

EPSON EB W32

With the EB W32, manufacturer Epson offers a standard portable LCD projector with WXGA 1280 x 800 resolution and a contrast of 15000:1. The lamp in the projector is specified with a lamp life of 10000 hours, which is over 13.7 years if enjoyed for two hours every day. The integrated media player allows files to be played directly. The horizontal and vertical keystone correction provides leeway when setting up. An image width of up to 575 cm is possible as the projector has 3200 Ansi lumens. However, if room light is available, the image should be max. 383 cm wide. A smartphone with MHL connection can be connected directly to the MHL/HDMI port and transmit a 1080p / 60 Hz image mirroring (screen mirroring) while the smartphone is being charged at the same time. It was launched on the market in 2016 and is no longer offered by the manufacturer Epson.

3 x 0,59" mit MLA D9 LCD TFT Panel
