

Epson EB Z8000W/U/NL

EPSON EB Z8000W/U/NL

The EB Z8000W/U/NL LCD projector from Epson has 6000 Ansi lumens, a contrast of 5000:1 and a WUXGA 1920 x 1200 resolution. The integrated lens shift gives freedom when positioning the projector. Thanks to the brightness of 6000 Ansi lumens, an image width of 787 cm is possible. The projector can also handle slightly brighter rooms with a smaller image width (we recommend max. 525 cm). Furthermore, the projector can play 1080P without any problems. This model is no longer offered by Epson, but is still very popular in our projector database.

 3 x 0,94" LCD TFT Panel
