

Epson EH TW6100W

EPSON EH TW6100W

The home cinema EH TW6100W 3D LCD projector from Epson has 2300 Ansi lumens, a contrast of 40000:1 and an HDTV 1920 x 1080 resolution. The manufacturer Epson specifies a lamp life of 4000 hours, which converts to over 5.5 years at 2 hours per day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. An image width of up to 487 cm is possible as the projector has 2300 Ansi lumens. However, if there is room light, the picture should be a maximum of 325 cm wide. Playing 1080P and 3D is also no problem for the projector. On the market since 2012, the model is no longer offered by the manufacturer Epson, but is still very popular in our projector database.

Brief Introduction

Beta 2.5

Display Type

3 x 0,61" LCD TFT Panel mit MLA

HDTV 16/9 Liquid Crystal Display with Micro Lense Array
