

Epson USA EX7200

EPSON USA EX7200

A brief introduction to the EX7200: The Epson USA standard portable LCD projector offers 2600 Ansi lumens, a contrast of 2000:1 and a WXGA 1280 x 800 resolution. The lamp life is up to 4000 hours, which is over 5.5 years with a daily viewing time of 2 hours. The integrated media player allows files to be played directly. The projector can illuminate a picture width of up to 518 cm thanks to its 2600 Ansi lumens. In room light, however, the image width should ideally be less than 345 cm. Even 1080P video signals are no problem for the projector. On the market since 2010, the model is no longer offered by the manufacturer Epson USA.

3 x 0,59" LCD TFT Panel mit MLA
WXGA 16/10 Liquid Crystal Display with Micro Lense Array

Projector
