

Epson USA VS345

EPSON
USA
VS345

The Epson USA model VS345 is an LCD projector with WXGA 1280 x 800 resolution and a contrast of 15000:1. The lamp life of the projector is specified as 10000 hours, which is equivalent to over 13.7 years at 2 hours per day. Thanks to the horizontal and vertical keystone correction, the projector can be positioned very freely. An image width of up to 556 cm is possible. However, the image should be smaller in room light. We recommend max. 371 cm. On the market since 2015, the model is no longer offered by the manufacturer Epson USA.
