

Everest SO350X

EVEREST SO350X

A brief introduction to the Everest SO350X. The LCD projector has an XGA 1024 x 768 resolution and a contrast of 20000:1. The lamp life is specified by the manufacturer as 10000 hours, which is over 13.7 years if enjoyed for two hours a day. A picture width of up to 530 cm is possible, if the picture width is smaller (we recommend max. 353 cm), rooms with residual light are also no problem. Playing 1080P is also no problem for the projector.

3 x 0,63" LCD TFT Panel
