

Favi RioHD-LED-4T

FAVI RIOHD-LED-4T

The Favi RioHD-LED-4T standard portable LED LCD projector has 1000 Ansi lumens, a contrast of 2500:1 and a WXGA 1280 x 768 resolution. Due to the LEDs, the projector is specified with 30000 hours of light life, which is over 20.5 years if enjoyed for four hours a day. 1000 Ansi lumens ensure that a picture width of 321 cm is also possible. However, if room light is available, the picture should be a maximum of 214 cm wide. Playing 1080P is also no problem for the projector. On the market since 2019, the model is no longer offered by the manufacturer Favi.

Brief Introduction

Beta 2.5
