

Geekman GC357

EAN/UPC:717206485677

Brief Introduction

Beta 2.5

The Geekman GC357 is an LCD LED projector with HDTV 1920 x 1080 resolution and a contrast ratio of 20,000:1. The manufacturer specifies an LED lifespan of 30,000 hours, which would equate to over 20.5 years with 4 hours of daily use. Horizontal and vertical keystone correction ensures effortless image setup. An image width of up to 321 cm is possible, as the projector has 1,000 ANSI lumens. However, if there is ambient light in the room, the image should be no wider than 214 cm. Since the projector supports AirPlay, Miracast, and Screen Mirroring, you can stream high-resolution videos with surround sound directly from a smartphone, tablet, or PC (Android, Windows, and iOS) via Wi-Fi. Additionally, the Bluetooth capability is a useful feature for the projector, particularly for wireless audio transmission. Even 1080p and 4K (compressed) video signals are no problem for the projector.
