

Geha compact 235

GEHA COMPACT 235

A brief introduction to the Geha compact 235. The LCD projector has an XGA 1024 x 768 resolution and a contrast of 400:1. The projector can illuminate images up to 302 cm wide thanks to its 1200 Ansi lumens. In room lighting, however, the image width should ideally be less than 201 cm. It was launched in 2004 and is no longer offered by the manufacturer Geha. Unfortunately, we can no longer offer replacement lamps for this model, neither originals nor replicas.

Brief Introduction

Beta 2.5

Display Type

3 x 0,7" LCD TFT Panel
XGA 4/3 Liquid Crystal Display
