

GROVIEW C26

GROVIEW C26

The C26 LED LCD projector from GROVIEW has 500 ANSI lumens, a contrast ratio of 15,000:1 and HDTV 1920 x 1080 resolution. Manufacturer GROVIEW states a lifespan of 30,000 hours, which would be over 20.5 years with 4 hours of viewing per day. The projector also offers an integrated media player that can be used to play files directly. The 500 ANSI lumens brightness makes a screen width of 227 cm possible. In a well-lit room, the image should be no wider than 151 cm. The projector supports Airplay, Miracast Screen Mirroring, which allows high-resolution video and surround sound to be played directly from smartphones, tablets and PCs running Android, Windows or iOS via Wi-Fi. In addition, the projector can be flexibly connected to other speakers thanks to the Bluetooth function. Furthermore, it is Full HD 1080P and 4K (compressed) compatible.
