A brief introduction to the LED 2: The HongTianPao standard portable LCD projector offers 78 Ansi lumens, a contrast of 600:1 and a VGA 640 x 480 resolution. Since HongTianPao specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. The projector can illuminate a screen width of up to 77 cm well thanks to the 78 Ansi lumens. In room lighting, however, the picture width should ideally be less than 51 cm. The projector can also display 1080P without any problems. On the market since 2011, the model is no longer offered by the manufacturer HongTianPao.

1 x 3,2" LCD TFT Panel
VGA 4/3 Liquid Crystal Display

Projector

78 / 1300 Lumen
600:1 full on/off
