

HongTianPao LED96

HONGTIANPAO LED96

With the LED96, manufacturer HongTianPao offers a standard portable LCD LED projector with WVGA 800 x 480 resolution and a contrast of 800:1. The service life of the LEDs is 20000 hours, which is over 13.7 years with a daily viewing time of 4 hours. Since HongTianPao specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. 120 Ansi lumens ensure that a picture width of 111 cm is also possible. However, if room light is available, the picture should be max. 74 cm wide. This model is no longer offered by HongTianPao.
