

HongTianPao LED-DLP600

Brief Introduction

Beta 2.5

The micro-portable HongTianPao LED-DLP600 LED DLP projector has 500 Ansi lumens, a contrast of 10000:1 and a WXGA 1280 x 800 resolution. Thanks to the LEDs, the projector has a light life of up to 30,000 hours, which is equivalent to over 20.5 years at 4 hours per day. Due to the brightness of 500 Ansi lumens, a picture width of 227 cm is possible. In room light, the picture should be max. 151 cm wide. With the HDMI MHL port, the smartphone image can be transmitted to the projector in Full HD at 60 Hz by screen mirroring and the smartphone is charged at the same time. The projector can also play 1080P without any problems. This model is no longer offered by HongTianPao, but is still a popular projector in our database.
