Infoto PCL-LT112W

The standard portable PCL-LT112W LCD projector from Infoto has 4000 Ansi lumens, a contrast of 15000:1 and a WXGA 1280 x 800 resolution. The lamp of the projector is specified with a lamp life of 10000 hours, which is over 13.7 years if enjoyed for two hours every day. Horizontal and vertical keystone correction makes setting up the picture childs play. The projector can illuminate images up to 643 cm wide thanks to its 4000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 429 cm. A smartphone with MHL connection can be connected directly to the MHL/HDMI port and transmit a 1080p / 60 Hz image mirroring (screen mirroring) while the smartphone is being charged at the same time. The model is also Full HD 1080P compatible. It was launched in 2016 and is no longer offered by the manufacturer Infoto.

Brief Introduction
Beta 2.5

Display Type	3 x 0,59" LCD TFT Panel WXGA 16/10 Liquid Crystal Display
