

KIANO Chill

EAN/UPC:B0HB4VNYL7

KIANO CHILL

The KIANO Chill Standard Portable LED LCD Projector has 350 ANSI lumens, a contrast ratio of 3000:1 and an HDTV resolution of 1920 x 1080. Thanks to the LEDs, it has a lifespan of 30,000 hours, which would equate to over 20.5 years based on 4 hours use per day. 350 ANSI-lumen ensure that an image width of 163 cm is possible. However, if there is ambient light in the room, the image should be no more than 109 cm wide. The projector supports AirPlay and Miracast screen mirroring, enabling high-resolution videos and surround sound to be streamed via Wi-Fi from smartphones, tablets and PCs running Android, Windows or iOS. Another bonus worth mentioning is that the projector's Bluetooth function allows it to be connected to external wireless speakers. The projector also has no trouble handling 1080p video signals.

Brief Introduction

Beta 2.5

Display Type

1 x LCD Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

350

156 Lux (200 cm Screen width)
