

Liesegang dv 710

Brief Introduction

Beta 2.5

The Liesegang dv 710 standard portable LCD projector has 450 Ansi lumens, a contrast of 100:1 and an SVGA 800 x 600 resolution. The projector will be able to illuminate a picture width of 185 cm well. However, if room light is available, the picture width should ideally not exceed 123 cm. It is no longer offered by the manufacturer Liesegang. It should also be noted that, unfortunately, there are no more replacement lamps for the projector, neither originals nor replicas.

Display Type

1 x 6,4" LCD TFT Panel
SVGA 4/3 Liquid Crystal Display

Ansi-Lumen

450

Contrast

100:1 full on/off
