

## BREAK FREE FROM THE HUDDLE

Stop crowding around that 3-10 inch screen. Get a bigger screen experience from your HDMI-equipped smartphone, tablet or laptop with the MicroVision SHOWWX+™ HDMI laser pocket projector.

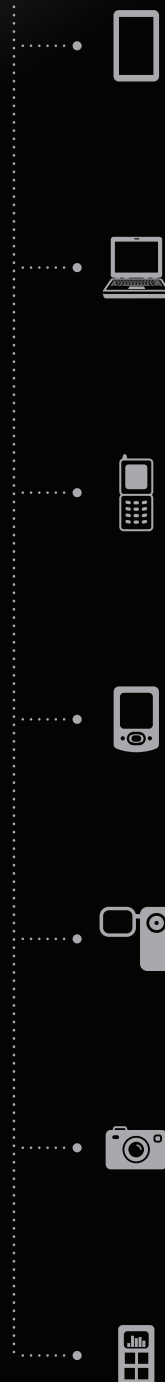

Always on the move? Only have a few minutes with a client? SHOWWX+ HDMI lets you spontaneously create a bigger display to share ideas, collaborate and present business analytics, videos, and other work-related content with plug-and-play simplicity.

After work, it's ready for play. Enjoy movies, photos, streaming videos, and games on a big, bright screen up to 8 feet wide\*.

- + Always in focus
- + Connect and project in seconds
- + Bright, vivid colors
- + Fits in your pocket
- + HDMI digital connectivity
- + HDCP compliant
- + Widescreen resolution

Compatible with Apple® and HDMI-enabled devices\*\*:

- + Smartphones such as iPhone®, Nokia and Android™\*\*\*
- + Apple iPad®, iPad 2, BlackBerry® PlayBook™ and Windows® 7 tablets
- + Laptops, notebooks and netbooks
- + Digital cameras and camcorders
