

Mimio Projector

MIMIO PROJECTOR

Brief Introduction

Beta 2.5

A brief introduction to the projector: The Mimio 3D DLP projector offers 2400 Ansi lumens, a contrast of 2000:1 and a WXGA 1280 x 800 resolution. Thanks to the lamp, the projector has a lamp life of up to 3500 hours, which is equivalent to over 4.8 years at 2 hours per day. Thanks to the short-throw projection ratio of just 0.35:1, the projector does not stand still in the room. For a 2m wide image, the projector only needs to be 70 cm away from the screen. The model built in 2013 is no longer offered by Mimio.

Display Type
