

miroir M45

M I R O I R M 4 5

The miroir M45 Game-Portabel LED DLP projector has 15 Ansi lumens, a contrast of 1100:1 and a VGA 640 x 360 resolution. The manufacturer specifies an LED service life of 20000 hours, which converts to over 13.7 years at 4 hours of use. Thanks to the built-in rechargeable battery, the projector does not require a power supply for 2 hours, allowing it to be set up spontaneously and easily anywhere. The model built in 2018 is no longer offered by miroir.

1 x DLP Chip
VGA 4/3 Ti Digital Light Processing Chip

Projector	15	5 Lux (200 cm Screen width)
