

Nec GT6000R

NEC GT6000R

Brief Introduction

Beta 2.5

The Nec model GT6000R is an LCD projector with SXGA+ 1400 x 1050 resolution and a contrast of 450:1. The integrated media player can play files directly. Built-in horizontal and vertical keystone correction provides freedom when positioning the projector. A picture width of up to 389 cm is possible as the projector has 2000 Ansi lumens. However, if room light is available, the image should be a maximum of 259 cm wide. Furthermore, the projector can play 1080P without any problems. On the market since 2003, the model is no longer offered by the manufacturer Nec. Unfortunately, we can no longer offer a replacement lamp for this model, neither original nor replica.

Display Type

3 x 1,4" LCD TFT Panel mit MLA
SXGA 4/3 Liquid Crystal Display with Micro Lense Array

Ansi-Lumen

2000 / 1000 im singel lamp Mode 647 Lux (bei 203 cm Screen)
